

Real Life Challenge

You MUST bring in a carrier for your baby by Thursday, 4/21 to take a baby home!

Acceptable Baby Carriers (Needs handles of some sort!)

- Plastic bucket (ice cream bucket, Easter bucket, sand box bucket, etc.) with a blanket or towel
- Gift bag with handles with a blanket or towel
- Cinch bag with a blanket or towel
- Basket with a blanket or towel
- Other containers you have modified or designed to provide a safe carrier for your baby (Needs a blanket or towel!)

NOTE: Plan for a way to keep your "baby" from flying or bouncing out of the basket!

Not Acceptable

- Plastic grocery bags or other plastic bags (Ziplocs)
- Hats (Sports cap, cowboy hat, etc.)
- Backpacks or purses with your books and laptop
- Other "bags" or boxes that you pulled out of your locker or closet at home at the last minute!

NOTE: If you do not have an acceptable container by Thursday, you will not be allowed to take your baby home and will lose points for the project!
